The summer challenge is our second mileage challenge. Log 30 miles riding, driving, long lining or hand walking your horse using the provided (downloadable) log sheet. Submit your log sheet to [mickeythebelgian@aol.com](mailto:mickeythebelgian@aol.com).

Our third and final milage challenge will be in the fall. This last mileage challenge will be a 100 mile challenge. You can use your miles from the spring and summer challenges for the fall 100 mile challenge. Just remember to keep your log sheets and submit all three in the fall.
